**THE BELOW 5 PRODUCTS, USED IN COMBINATION, WILL BRING ABOUT OPTIMAL HEALTH BY ELIMINATING TOXINS AND ALLOWING THE BODY TO BUILD THE IMMUNE SYSTEM AND FIGHT DISEASES.**

**1. DIGESTION PLANT ENZYMES™**

Food is converted into substances that can be absorbed and assimilated at the cellular level. Every cell in our body relies on the efficient digestion of our food. Our body cannot digest cooked and processed food. Lack of digestion and elimination is the cause of virtually all degenerative diseases.

COMBINATION of 9 plant-based enzymes (enzyme activating) form minerals that help digest carbohydrates, starches, sugars, and all plant food.

SUPPLIES complete digestive enzyme complexes so that all foods are broken down to their most useable form  
HELPS your body digest food in 30 minutes  
REDUCES the burden of digestion off the body, allowing other functions to proceed unimpaired  
ASSURES that nutrients from food or nutritional supplements are absorbed by the body through increased assimilation.

INCLUDES a delivery system that ensures enzyme activity in all stages of digestion and body PH ranges.  
SUPPORTS proper digestion which enhances health, increases energy levels and promotes longevity.  
REDUCES time between bowel eliminations thereby reducing toxicity buildup.

**2. IMMUNE SYSTEM STEROL-MAX™**

An integrated body system which neutralizes potentially pathogenic organisms or substances while defending the body against foreign invaders that may cause disease. The health of the body is dependent on the immune system's ability to recognize and then repel or destroy these invaders. Over 133 double-blind studies show the effectiveness of sterols in helping degenerative conditions.

The most effective substance available to address cancer. Made from hydroponically grown plant sprouts. Increases T-cell proliferation, (T-cells are specialized cells that destroy the developing cancer, and mutating cells in your body daily) and increase macrophage, nutriphil cells, lymphocytes, and other immune system cells of the body that destroy viruses, bacteria, fungus, germs, etc.  
REDUCES LDL cholesterol in the blood stream, and significantly reduces further absorption.  
SUPPRESSES cortisol secretion by the adrenal gland, responsible for stress related disorders, and inflammation.  
REGULATES overproduction of B-cells (lymphokines) which promote the functions of T-cells making antibodies, responsible for auto-immune symptoms.  
ADDRESSES the underlying causes for the disease, not treating the symptoms of it.  
REDUCES time between bowel eliminations thereby reducing toxicity buildup.

**3. CLEANSING DAILY DETOXIFICATION™**

Cleansing is needed to remove toxic elements and pollutants from the body. Toxic elements cause disease. When your body is clean, the overall function will be more efficient. Daily Detoxification™ reduces toxicity that accumulates in your bowel and GI tract from consuming processed foods of any kind.
