**Benefits for Lightening
Colloidal Silver™**

Silver ions, due to their small molecular size, are the best form for the body because they travel freely in and out of cells.

Lightning Colloidal Silver™ ions are produced using environmental lighting bolts **not** with 110 or 220 volt current.

Colloidal Silver moves in your blood and enters your cells to find and destroy harmful organisms within minutes after contact.

**LIGHTENING COLLOIDAL
SILVER™**

Naturally Anti-Bacterial, Anti-viral, Anti-Germicidal, and Anti-Fungal, Enriching Gifts Lightening Colloidal Silver moves in your blood and enters your cells to find and destroy harmful organisms within minutes after contact. The only Colloidal silver product charged with extremely high lightning voltage instead of 110V or 220V electrical current.

One ounce of Lightning Colloidal Silver™ contains over nine billion electrically charged positive ions of Pure Silver material which attach to bacteria, virus, fungus and germ in your body and neutralize them.

1 oz. once a day as needed not to exceed 6 weeks continued use orally. Ideally used on an empty stomach (not recommended for use while taking Pro-Biotics)
